## Record Sheet: People

Your Name:

Your age:

School:

Parent/guardian contact email:

1. Speak to your friends, family and neighbours about Battle - ask them about their past and present memories of Battle. Record any interesting information they give you.

**Always tell people why you are asking and seek their permission first**

### Some suggested questions:

- Do you know anything special, interesting or unusual about Battle?
- Do you have memories of visiting friends and/or family in Battle?
- Do you associate any particular words or phrases with Battle?
- Have you attended events in Battle?
- Do you associate particular foods with Battle?
- Do you remember any particular shops or pubs that no longer exist?

*Record the information you gather on additional sheets of paper – ensure all additional sheets are clearly marked with your name and the name and contact information of the people you speak to.*

2. Undertake further research into the information you have gathered as a consequence of question 1.

*Maybe visit the museum of local history or the library to investigate and explore your findings further in their books and/or archives. **Write down or give links to any findings below or on a separate sheet.***

*You could also visit any specific places or events mentioned and enquire further to validate or enhance your knowledge.*

3. Can you connect the information you have gathered on the corresponding buildings sheet with your findings relating to people?

By returning this pack I consent to the information contained being used for the creation and promotion of the Battle Heritage Trails Project.
