Dear Parent or Carer

## Full Reopening of Schools

I hope that you and your family are well.

I am sure that you will have seen in the news yesterday that all schools in England will be fully reopening from 8th March.

We are all extremely keen to welcome all of our students back into school; I am sure that they are equally excited about the opportunity to engage in face to face lessons and see their friends. We are currently studying the details of yesterday's announcements to ensure that we have all of the necessary measures in place to make the full reopening as safe as possible, in order to attempt to avoid any future disruptions. We will, of course, provide you with details of our plans as soon as we are able to.

In the meantime, it is important that we all continue to follow the current guidance in place to help ensure the safety of ourselves, our families and the local community. Thank you for your support in ensuring that this message is conveyed to our students. I wrote to students yesterday to remind them of the importance of this, and the need for them to keep engaging fully with their online learning so that they can place themselves in the best position possible when they return to school. We are all very proud of the way in which they have continued with their learning, despite the challenging circumstances we have found ourselves in over the past year, and we look forward to working with them over the coming months to build on this progress.

We will be in touch in due course with further details regarding our plans for the full reopening of the College. If you have any questions or concerns please contact your child's pastoral team, in the first instance, contact details can be found on the College website.

Thank you for your continued support.

Yours sincerely

Mr P Swatton  
Principal
