Dear Parents and Carers,

Year 11 Prom

It is with regret that I write to inform you that the planned Year 11 Prom which was due to go ahead on the 9 July has been cancelled.

As you will no doubt be aware, the government announcement on Monday 14 June made it clear that there is a resurgence in case numbers and as a result no planned relaxation of the current rules. Since Monday we have been in contact with the venue and our local authority who have advised that the Prom will not be able to go ahead. Whilst we have tried to consider alternative arrangements or venues the key issues of number of attendees and social distancing requirements have made this impossible in the current climate.

Whilst we share your obvious disappointment at this news, we are pleased that the final day celebrations were able to go ahead as planned and give a suitable finish to five years at Claverham.

Monies paid for tickets will be refunded back to your parent pay accounts by Friday 2 July.

Year 11 GCSE Results

The collection of GCSE results for Year 11 is still on Thursday 12 August this year and more specific details will follow in due course.

Post 16 Transition

Please remember that there are lots of resources to support the transition to the next phase of your child's education on our website. These can be accessed using the link below:

<https://sites.google.com/claverham.org/post-16-transition-2021/home>

Once again please accept my apologies for the cancellation of the Prom event. I hope that we will be in a position to be able to celebrate your son or daughter's time at the College, and their GCSE outcomes, at an event in the Autumn term.

Best wishes,

Mr Swatton
Principal
