Dear Parent/Carer,

As you may be aware, the government have announced a phased return to school following the Christmas break. Claverham Community College are currently awaiting guidance and information from the government on the exact format this will take. I realise for some pupils and parent this may raise concerns around the planned examinations taking place in January.

I would like to take this opportunity to reassure you that, I have been in contact with the examination boards and at present, your son/daughter's iMedia examination will continue to take place as planned on 11th January.

We will of course update you as soon as further information becomes available.

Wishing you a wonderful Christmas and a happy new year.

Yours Sincerely
